

ST. JOHN THE BAPTIST ROAD AMERICA CONCESSIONS

◀ START YOUR ENGINES 2020 ▶

We look forward to starting our 65th year in partnership with Road America! It has been exciting to watch the progress on the new concession stand.

While we cannot know for certain when this race season will actually begin or how fan attendance will develop, we have begun preparing for our part of the new season. Our new stand manager, Mike Brink, is hard at work planning and learning from Debbie Hertel, his predecessor and mentor.

The new SJB RA Committee has also started to prepare for the season. When the season does come, SJB needs to be ready to meet our obligation to operate the stand.

RA Concessions continues to be an important fundraiser for our parish and school. The SJB RA Committee needs additional members. If you would like more information on the committee or other opportunities to get involved in this great SJB tradition, please email rastand@sjbplymouth.org, or call the parish office (920-892-4006).

Please read the message below from Road America....

Many have asked about our season schedule, and as of today, our timetable for our next major decision point is not until the second week of May. We have already postponed our Spring Vintage Festival Featuring SVRA on May 15-17, along with other events and schools through the first week of May, and we are continually preparing and in planning mode, which includes a variety of "what-if" scenarios. The best thing we can do right now is keep a watchful eye and make the best decisions as factual information comes in, to ensure the health and safety of everyone who passes through the gates.

Make no mistake, we are looking forward to coming together to share Road America this season. Our dedicated staff have already finished the serious work to prepare the grounds and the racetrack. We are still planning to begin our 65th Anniversary season beginning with the MotoAmerica Superbike Weekend Featuring Vintage MotoFest, May 29-31.

On behalf of all of us at Road America, please take care of yourself and your loved ones and we look forward to sharing Road America together again soon.
