THANK YOU!

Scripture tells us that the harvest is plentiful, but the workers are few! Thank you for being 'the few.' In 2024, your partnership with Anchor of Hope produced kingdom results.

Your prayers, generosity, and support provided life affirming medical care, parenting resources, material support, and the hope that only comes from Jesus. All of this was provided to women and families in our community at no cost to them.

Thank you for standing with us in this life-saving, lifechanging work. Your faithfulness opened a door for every client to receive God's love and hope while providing services that helped over 90 moms choose life.

We look forward to your continued partnership in 2025.

With thanks and gratitude,
