Assessment Rubric Cards.

ATTEND ONE OR BOTH SESSIONS

What's New in Health Education?

September 27th from 8:30-11:00am

\$15/session

Lunch provided after the session

Deb Tackmann will provide a high energy, interactive, and hands-on session is designed to empower HE professionals with the knowledge and skills necessary to engage 21st century learners.

Although, this session is best suited for secondary HE teachers, concepts and strategies are transferrable for elementary and PE teachers.

What's New in Physical Education?

September 27th from 11:30-3:00pm

\$15/session

Lunch provided before the session

Dr. Jenny Linker and Dr. Kristen Ford will provide a session that will include an overview of new physical education initiatives, best practices, and technological applications. Physical educators will learn how to plan curriculum/units/lessons with the use of both content and developmental analyses.

**OPTIONAL GRADUATE CREDIT AVAILABLE AT AN ADDITIONAL COST
FOR THOSE WHO ATTEND BOTH SEPTEMBER 27TH SESSIONS AND AN
ADDITIONAL PYFP SESSION ON DECEMBER 8TH**
