**PHIL
WARRICK**

Phil Warrick, EdD, is associate vice president of Marzano Research, an author and consultant and has worked globally in the areas of school leadership, instruction, collaborative practices, and grading. He was an award-winning administrator in Nebraska for nearly 12 years. He has been an adjunct professor at Peru State College since 2005.

MARZANOResearch
Leading the Way

MAY 3, 2019 | FARGO

MORNING SESSION | 9AM - 11:30AM Principals

In this session, Dr. Warrick will guide Principals through school leader evaluation scales and will reveal how those scales can best be used to inform teacher evaluation. Specific scales will be used to study samples of practice, followed by a discussion about what teachers might be encouraged to do to continue their growth.

AFTERNOON SESSION | 12PM - 2:30PM Superintendents

In this session, Dr. Warrick will guide Superintendents through school leader evaluation scales and will reveal how those scales can best be used to inform principal evaluation. Specific scales will be used to study samples of practice, followed by a discussion about what principals might be encouraged to do to continue their growth as school leaders.

WORKSHOP OBJECTIVES:

- Understand strategic leadership through leading and lagging indicators
- Clarify your role as a district and/or school leader
- Clarify expectations for levels of performance
- Gain clarity and guidance in goal setting and evaluation procedures for enhanced performance growth
- Learn how to empower those you evaluate
