# DATA REVIEW DAYS

**DATE:** Oct. 24, Nov. 20

**TIME:** 8:00am – 3:00pm

**WHERE:** Fargo location TBD

**PRESENTER:** Wayne Callender

Wayne Callender is an author and national RTI Consultant who has worked at the State, district and building levels improving educational outcomes. Wayne currently trains and advises educators across the country in the implementation of systems for school improvement, both on-site and through nationwide seminars. In addition to being featured as keynote speaker at over a dozen state and national conferences, Wayne has authored numerous articles, chapters and training books on the implementation of a School-Wide Approach to RTI and improved instructional practices.

## Session Description:

### OVERVIEW:

*Pre-requisite: must complete Developing Pathways for Academics & Evaluating Your Systems*

This training is intended for MTSS teams who have established their reading and/or math academic pathways, and are implementing the MTSS processes at the district/school level.

The facilitated Data Review training days with Wayne Callender and NDMTSS Coaches, will assist teams as they look closely at their most current Benchmark data to determine the overall effectiveness of their MTSS process. Teams will come prepared with access to individual student Fall Benchmark scores, academic pathways, and most importantly thoughts and questions surrounding MTSS that they would like clarity on to enhance their overall processes. Teams will come away with an enhanced understanding of how to use their data to guide and strengthen their MTSS process to ensure all students succeed.
