Volunteer Opportunity: Help Improve Downtown Newmarket Parking!

The Town of Newmarket is launching a parking study this April to address congestion and improve access for everyone exploring our downtown. Your observations can make a difference!

We Need Volunteers To:

- Observe vehicle parking patterns in the downtown area.
- Commit to a shift (morning, afternoon, or evening) on a designated Thursday, Friday, or Saturday in April (exact dates to be confirmed).
- Do some walking during your observation shift.

Let us know your availability when you sign up!

Sign Up Today: Visit surveymonkey.com/r/newmarketnhparking to volunteer.

Questions? Get in Touch:

- Ryan Dewey, Strafford Regional Planning Commission: rdewey@strafford.org (603) 994-3500
- Bart McDonough, Town of Newmarket: bmcdonough@newmarketnh.gov (603) 659-8501 x 1315

Explore WWII's Final Days With the Newmarket Historical Society

On **Monday, April 14, 2025,** at **7:00 PM** in the **Newmarket Town Hall Auditorium**, the Newmarket Historical Society presents **"The Turning Point of WWII."** President John Carmichael will guide attendees through the spring of 1945, a period that saw the loss of key leaders and the eventual end of the war in both Europe (VE Day, May 8) and the Pacific (VJ Day, September 2). Discover how these momentous events affected the people of Newmarket. **This free program is open to everyone.**

New Page For Weekly Permit Updates In Newmarket (Updated Mondays)

The Town of Newmarket has launched a new page for your convenience, featuring weekly permit reports updated every Monday for easy access to this information. You can find the page here: **https://www.newmarketnh.gov/513/Permits-Issued-by-Week**

Newmarket Hazard Mitigation Plan

The Town of Newmarket is currently updating its Hazard Mitigation Plan. This plan identifies potential natural and human-induced hazards and outlines strategies to minimize their impact on our community.

As part of this important update process, resident participation is vital. We encourage you to share your knowledge of potential hazards or specific areas of concern within Newmarket.

The Strafford Regional Planning Commission, in collaboration with the Town, has developed a survey to collect this valuable community feedback.

You can access the survey via the following link: **https://www.surveymonkey.com/r/BJB9K2J**

For questions or comments regarding the survey or the plan update, please contact Bart McDonough, Director of Planning and Community Development.
