Follett's Brook Pocket Park

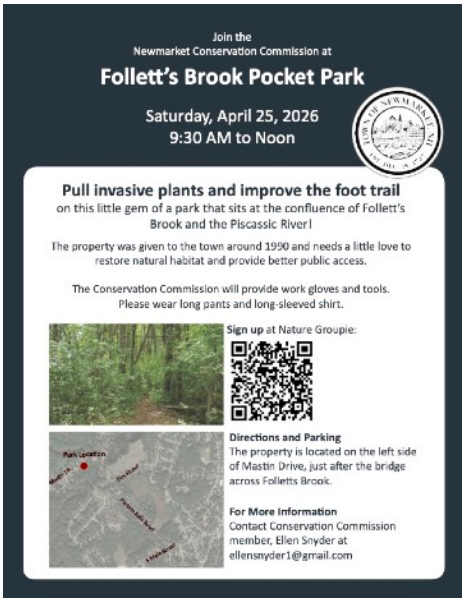

Help restore a hidden gem where Follett's Brook meets the Piscassic River.
This little park has been part of Newmarket since the town received it around 1990 — and it's ready for some community love. Tucked at the confluence of Follett's Brook and the Piscassic River, it's a quietly beautiful spot that deserves better public access and healthier natural habitat. Join neighbors and fellow conservationists for a morning of meaningful hands-on work.

Work gloves and tools PROVIDED

WEAR Long pants and long-sleeved shirt

We hope to see you on the trail April 25!

DIRECTIONS & PARKING
Mastin Drive — property on the left just after the bridge over Follett's Brook. Street parking available nearby.

Newmarket's New Mural

The Arts, Culture & Tourism Commission is thrilled to announce the creation of a magnificent 650-piece mosaic mural on Main Street, just opposite. This new mural installation will extend the Art Corridor, which the Commission initiated at the Artist Among Us Pocket Park in 2023. The Unity Tree mural was made possible by the generous support of an art-loving resident. As a result, community members of all ages have been actively participating in painting 4-inch tiles at open events held at various locations, including the Sunrise Sunset Center, Library, High School, and most recently, the Unplugged event last weekend. If you're interested in having a tile in our new mural, join us for our upcoming painting date: April 13 at 6 pm at the Newmarket Historical Society. The completed mural will be unveiled on Sunday, June 14th, in celebration of America's 250th anniversary. This is a fantastic opportunity for families to come together and celebrate our country and community. The event is organized in partnership with the Newmarket 250/300 Committee. Stay tuned for more details. Until then, mark your calendars and save the date!
