Seasonal Weight Restrictions in Place

As the weather warms and the spring thaw begins, we're taking steps to protect Newmarket's roads. From March 5th to April 30th, we'll be enforcing seasonal weight restrictions.

What You Need to Know:

- Vehicles over 6 tons require permission from the Public Works Director to travel on Class V roads.
- Don't worry, emergency vehicles, fuel deliveries, and other essential services are exempt!

These restrictions help us keep our roads in good shape for everyone. We'll keep you updated through local news and postings around town. If you have any questions or need a permit, please reach out to the Public Works Department. We appreciate your understanding and cooperation!

Voting Day Meet Up

School's out for voting day! Let's make the most of it. Join the PTA for a fun, outdoor meetup at the Rec next week. Connect with friends and enjoy some fresh air. (Please remember, we cannot supervise children without adult accompaniment.)
