TOWN OF NEWMARKET NEW HAMPSHIRE

Update: Route 108 Closure In Newmarket Postponed!

Please be advised that the planned closure of Exeter Street (Route 108) in Newmarket, initially scheduled to begin on Tuesday, April 15, 2025, has been **postponed**.

CSX Transportation has informed us that their track maintenance crews encountered unanticipated delays and will not reach Newmarket as originally scheduled.

At this time, a new date for the closure has not been determined. We will provide further details as soon as they are received from CSX. Thank you for your understanding.

Ash Swamp Road Bridge Repair Detour

Effective Monday, April 7, 2025, Ash Swamp Road will be closed to through traffic between NH Route 108 and Grant Road due to bridge repair work. Neil H. Daniels, Inc. will be performing the rehabilitation of the Ash Swamp Road Bridge over the Piscassic River (Bridge ID# 096-065). This closure is anticipated to end in May. The bridge is near Price's Sunnycrest Garage. The detour between NH Route 108 and Grant Road will be in place.
