

Newmarket Community Notes

Newmarket 300 Logo

After months of submissions the USA 250/Newmarket 300 Committee wishes to thank all of those talented individuals who spent the time to create a design that reflects Newmarket and our upcoming celebration of "300 Years at The River's Edge". We are pleased to announce that after much deliberation, the committee chose a design that was created by local artist Alex Edgerly of Alex Edgerly Design Company, Newmarket. We look forward to working with Alex going forward.

We also wish to thank John Carmichael for shepherding the design process along with the artists who submitted their creations. We hope that it might be possible to incorporate some of the black and white renditions in a possible historical coloring book to be in place for 2027!

The USA 250/Newmarket 300 steering group meets the second Wednesday of each month at 6:00pm at the Sunrise Sunset Center on Terrace Drive, Any interested local resident, or business/ organizational representative is welcome to attend and help with planning and executing events for 2027. Applications are available for organizations to fill out and gain official status which includes assistance in promotion, ticket sales and other considerations. Official status applications must be in by July 1 of 2026 to be included in our print and social media promotions. This is your celebration-participate-volunteer-donate!

Give Us Your Best Shot

WHY DO YOU LOVE NEWMARKET?

Give us with your best shot. Photographers - amateur and professional - are invited to enter the Town Photo Contest by submitting photos which showcase the beauty and unique character of Newmarket. Whether it's the Lamprey River, a fun community event, a favorite Main Street stop or vibrant foliage, we want to see what makes Newmarket special to you. Submit up to five of your best shots by August 1, 2024 for a chance to have your photo included in the new Willey House Central Park mural.

Grand Prize: \$250 cash prize!
2nd Place: \$100 cash prize!
3rd Place: \$50 cash prize!

ENTER NOW by scanning the QR code to upload photos. All photos must be taken in Newmarket and fall within one of three categories: **lifestyle, wildlife or landscape**. Only one entry form per person with a maximum of **five** photos will be accepted. Questions about the contest? Reach out to atcommission@newmarketnh.gov

Kingston Public Service Announcement

Notice to all Kingston Residents: During Summer Fest (June 28th, 29th, 30th), all traffic around The Plains will be one way traffic only. East Main Street will be East bound traffic only. West Main Street will be West bound traffic only. There will be cones and barricades indicating the traffic flow. Residents in the area of The Plains are going to be required to take a RIGHT turn out of their driveways to ensure the safety of the public. Please share this with friends and neighbors.

This begins at 7:00 a.m. on Friday, June 28th and ends Sunday evening.-participate-volunteer-donate!
