Newmarket Is Taking Steps To Empower Voters!

Newmarket is thrilled to announce an innovative initiative designed to boost community involvement by connecting residents with candidates running for local and school positions. We are introducing a candidate profile form aimed at gathering crucial information about each candidate's background, aspirations, and vision for our community's future. Voters are able to learn about the priorities and qualifications of each candidate.

The profiles generated through this initiative, serve as an essential resource, encouraging thoughtful engagement from the community. Don't miss the chance to learn everything you need to know about the candidates! Visit the Newmarket Town Website at https://www.newmarketnh.gov/CivicAlerts.aspx?AID=16 and explore the candidate profiles!
