

Basic Computer Classes for Seniors

Conducted By Anna Middleton Waite
ADULT LEARNING CENTER

Courses include:

- Basic Internet
- Basic Internet Security
- Chromebook Basics
- Email Basics
- Basic Social Media

When:

- April 11th
- 9:30 AM to 11:30 AM
- 10-week course, two hours per week
- 1/2 hour lunch included
- SHH - 1st Floor Science Room

First come, first serve! Space is limited.

Chromebook Computers will be provided. At the end of the training period, students will receive a certificate and a Chromebook.

Missing more than three classes will forfeit the Chromebook and completion of the course.
