

Thanksgiving Meals at Mel Trotter to Serve 12,000 People

Every Thanksgiving for the past 20 years Mel Trotter Ministries and our supporters have fed 2,000 people a Thanksgiving meal at DeVos Place. Because of COVID we are needing to pivot. Mel Trotter will instead be partnering with 14 local food pantries and other ministries in order to provide food boxes to those who need it most. As of right now, we have 2,200 families (10-12,000 people) that need a food box for Thanksgiving and that number is growing each day. Below are the details:

1. Mel Trotter in conjunction with WOOD Radio and Celebration Cinema will be collecting 2,000 frozen turkeys on November 18 for the food boxes.
2. Mel Trotter will purchase all the food including but not limited to mashed potatoes, green beans, corn, gravy and pies from local grocery stores to add into the boxes.
3. Mel Trotter will distribute food to local food pantries and ministries.
4. Those outlets will box the food up and will distribute them to needy people right here in our community.
