

Dear Parish, Extraordinary times require extraordinary measures: In response to the seriously increasing pandemic statistics in Kent County, the doors of the Parish House and Sanctuary are now closed. Newly posted signs indicate that the Parish is closed. The full-time staff will continue to work and will respond to phone calls and the ring doorbell. Part-time staff will be in the building only if necessary. Mail will continue to be received. We respectfully request that nothing be dropped off from the outside that is not essential, e.g. Breakfast Cafe needs.

As you know, we discontinued in-person worship on Wednesdays and Sundays. The Wednesday Service will be live-streamed and the Sunday Service will be broadcast starting at 10:30 on Sundays with as few of us as needed for participation. Please, call in advance if for whatever reason you need to be here. Anyone who needs to be in the building must be masked and must sanitize coming in and when leaving.

Please, pray that we do our part to help limit the spread of the virus and pray that those suffering may recover and those mourning may be comforted. Please, remember that I am available to you at 617.416.5014. ~ Christian+
