

Last year we received \$7,950 that we were able to use to buy food for our Sunday Breakfast Cafe. Partners also have some obligations to help make the Walk a success and assist in the planning. One of our duties is to help secure sponsors for the virtual event which takes place this year May 2 – 12.

Corporate sponsorships may range from \$250 to \$5000+. These sponsorships will result in giving your business recognition on the walk materials and the ACCESS website. St. Mark's will also receive the amount of each sponsorship back for our Breakfast Cafe. All sponsorships need to be secured by April 15th. If this is something that you would like to consider, please contact Scot Gogle (s.gogle@comcast.net) or notify the church office of your interest.

**More information about the Walk and sponsorships can be found
at <http://accessofwestmichigan.org/walk>**

Stay tuned for more information on how to join St. Mark's Walk Team or how to donate to support our team!
