

# The \$16.65 Challenge

\$16.65 is the amount it currently costs the pantry for a week's food at Feeding America prices.

Here is a list of products the Pantry will provide and the associated costs. This cost is lower than it would normally be because of unusually low-priced USDA products from Feeding America.

Ground Beef	\$2.19
Hamburger Helper	\$.73
2 Cans/Fruit	\$.36
