

We are partners with Feeding America and have provided a food truck for the last year for the families of East Leonard Elementary School. We have not been able to host this at the school this year due to GRPS restrictions. Third Reformed Church is partnering with us on this venture and will provide some volunteers. Volunteers are also needed from St. Mark's Church.

The format now requires that recipients do not leave their cars, they drive up and our volunteers bring the food to their trunk. We will have cars enter in our front gate and exit through the alley street behind the church. This distribution will be on Saturday, Jan 23rd at 10:00am. Volunteers will need to arrive at 9:30am and will be finished by about 11:30am. Please call our church office if you are able to help with this effort.

Please also help us let people know that this distribution is for anyone who has a current food need. No financial documentation is needed, just a family name and information about how many household members will be served. Thanks so much for helping us serve our community!
