

At-Home Prayer Resources

Dear Parishioners and Friends of St. Mark's,

In today's fast-paced world of social media, internet resources for Christians are abundant. Using internet resources for private prayer and devotion has become more and more a part of prayer life. Personally, I use the Mission St. Clare website which is very easy to use for Morning, Evening and Night Prayer in the Episcopal Tradition. I frequently will pray with sacred music as my prayer. Here are numerous resources for prayer which include resources for sacred music. I hope you will find these resources helpful in your spiritual life. Explore and find other resources which might be even more meaningful to you. Explore and Engage! May God bless us in all we do respond to God's call to follow in the footsteps of Jesus. ~ *Christian+*
