

Dear Members,

To the surprise of all of us, the City of New Orleans has notified the public that no parades will be allowed to roll during the 2021 Carnival season. As many of you may already know, the Mayor met with the Mayor's Mardi Gras Advisory Committee, comprised of representatives of all Carnival Krewes and requested that we come up with proposals for a safe Carnival celebration.

The committee and Krewes were gathering ideas and were asked to present them to the Mayor December 5<sup>th</sup>. There was no directive given about cancelling parades. With this new information, we would appreciate your patience as we work on determining our path through this difficult crisis. Further communications about memberships and the 2022 parade season will be forthcoming.

Please be safe, stay healthy and wear a mask!

Sincerely,

Roland "Sonny" Borey  
Captain  
Krewe of Orpheus

Kenny Rubenstein  
VP of Membership  
Krewe of Orpheus
