

Faulkner's Pumpkin Patch

We are changing it up a little this year and instead of going to the pumpkin patch, Faulkner's is bringing the pumpkin patch to Presentation. We do this every year with our toddlers and twos and due to transportation limitations we are going to be doing the same with our older students this year. Below you will find a schedule of when each class will be attending story time with the scarecrow and picking a pumpkin from the "Presentation Patch". Unfortunately, this year we will not be allowed to have family members at this event. We will make sure to get lots of pictures! It's not required but we would love it if you sent your child to school that day in fall colors. If your child is not here on the day their class attends we will make sure they have a pumpkin to take home.
