

Program Choices & Explanation of Additional Fees

Full-Time Program Option:

Presentation ECC's full-time program is open year round and provides two complete sessions each year. The fall session begins mid-August until the end of May and the summer session begins in June until mid-August (exact dates for both sessions to be determined yearly by the Director). Families who enroll their child full-time are considered a year round student and tuition will be billed based on the schedule selected each year. Families do have an option to waive attendance during the summer session, however they will pay a holding fee to keep their student's enrollment active. Families will be responsible for fulfilling their tuition obligation for the entire fall or summer session based on their student's schedule regardless of the date they decide to stop attendance. Families who have students enrolled full-time may pay a change of schedule fee if they would like to alter their student's schedule for the summer session.

Part-Time Program Option:

Presentation ECC's part-time program is primarily a school year program. The fall session begins mid-August and runs through the end of May (exact dates to be determined yearly by the Director). Families who enroll their child in the part-time program are considered a school year student and tuition will be billed based on the schedule selected. Families will have the option for their student to attend during the summer session, however they will need to notify Presentation ECC during the summer session registration window in order to ensure their child is added to the summer rosters. Families will be responsible for fulfilling their tuition obligation for the entire fall or summer session based on their student's schedule regardless of the date they decide to stop attendance.

Below is a list of the various fees which may be charged in addition to monthly or weekly tuition.

<i>Registration Fee</i> - paid one time upon acceptance of enrollment	\$100.00
<i>Activity Fee Full-Time Program Preschool & Pre-K</i>	\$220.00
<i>Activity Fee Full-Time Program Toddler & Twos</i>	\$110.00
<i>Activity Fee Part-Time Program Preschool & Pre-K</i>	\$110.00
<i>Activity Fee Part-Time Program Twos</i>	\$60.00
<i>Holding Fee</i> – paid in the spring if full-time student will not be attending for summer.....	\$200.00 (<i>per family</i>)
<i>Change of Schedule Fee</i> – paid if a full-time student is altering their attendance	\$100.00 (<i>per student</i>)
<i>Anniversary Credit</i> – A credit equal to one week of tuition is applied to all full-time student accounts on the anniversary of their start date. If a full-time student does not attend during the summer session their anniversary credit will not be applied to their account.	

*Activity fee is charged once a year and it covers a portion of the cost for extracurricular classes, curriculum support through teaching strategies, fall session and summer session field trips and activities. Part-time program activity fees are lower because students are only in attendance for the school year. If a student in the part-time program attends for the summer session an activity fee will be charged at that time.
