

SUMMER!

ECC Families,

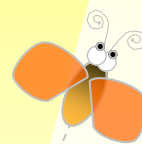

Welcome to the summer session at Presentation ECC. We are excited that you have chosen to join us for the summer months! Although this summer may look a little different we will still be doing many engaging and fun educational activities. We hope to add in a couple of field trips and some outside presenters when guidance allows. In your students welcome packet from their teacher you will find a summer activities calendar and a parental consent form for sunscreen/bug spray and any additional paperwork from your child's teacher. If you are new to our center you should have received an enrollment packet in the mail from the office. If your child is new to the center or they are a part-time student during the school year we will be collecting an activity fee. This fee helps offset the cost of additional activities we provide during the summer session. Current students enrolled year round should have already paid the activity fee in August. The activity fees are due by June 3 and are listed below.

Toddlers/Twos – \$60.00

Preschool/Pre-K – \$110.00

We will not be starting off the summer with water play days but they will be added in later in June. Summer t-shirts will still be supplied and used if we take any field trips. Thank you for joining us and we look forward to a summer filled with laughter and learning! See you soon!

Supplies Needed
