Make up Day Last Fitting for Spring

March 23rd 9:00 am - 2:00 pm

Please bring your Player to one of the regularly scheduled equipment issue dates. ALL players need to take a photo for their NMYAFL ID regardless if they are receiving equipment. Your Spring Tackle balance must be paid in full prior to receiving equipment for the spring season. If you are unable to attend either of the regularly scheduled dates, please be sure to attend the make-up date on March 23rd. There will not be any other opportunities for your player to receive his equipment. Players must wear shorts and a t-shirt during fittings.
