

COVID-19 Update June 25, 2020

As we watch the developments surrounding the health crisis, we hope that everyone is staying healthy and safe. Fortunately, things continue to improve for New Mexico but the Governor has paused lifting the restrictions further at this moment due to a slight increase in COVID-19 cases in NM and a large increase in cases in the surrounding states.

We are remaining in a phase 1 return to play status and thus our current return to play protocols are still in effect. These protocols have been updated to reflect the current environment. The updated protocols are available by clicking the link below.

In addition, the Governor and the NM Public Education Department announced a planned Hybrid Return to School model for the beginning of the 2020-2021 school year. With this announcement we are not sure how this will affect fall sports offered through various school districts or youth sports such as ours going forward.

We remain hopeful that we will be able to kick off the fall season at the end of July and we continue to move forward with preparations to hold a fall season.

The scheduled start date of the fall season is currently July 27th. We will communicate any changes regarding the season as we get further guidance.

Also, due to the crisis partial payment deadlines for all registration types have been extended to July 15th. All accounts must be fully paid by July 15th.

Spring Flag/Tackle and Fall Tackle

For those who registered for the spring and fall season and have an outstanding balance we will change your registration record to **fall only** and we will adjust your balance accordingly. You are able to check your balance online under My Account on the NMYAFL website once you log in.

If you are registered ***and are paid in full for spring flag(tacklebar)/fall tackle or spring tackle/fall tackle***, we will automatically issue you a ***2021 spring rollover coupon*** reflecting your fully paid spring payment amount.

Spring Only Flag/Tackle Bar/Tackle

If you registered for spring only flag we will roll your current payments to the 2020 fall flag season. If you registered for spring only tacklebar or spring only tackle we will roll your current payments to the 2020 fall tackle season. If you do not wish to participate in the fall season, please email the NMYAFL Office at yaflooffice@nmyafl.org with your child's name and date of birth and we can issue you a ***2021 spring rollover coupon*** reflecting your spring payment amount.

Our NMYAFL family is strong and resilient. We are immensely grateful for the trust and faith that you have in us to coach, keep safe, mentor and guide your kids. We know and understand that many of us are enduring hardships during this crisis and it is important that we all remain united during this time and that we stay safe and healthy.
