

Jeneil Russell, CISSP, CISA, CISM, CSSP, MSCIS **Information Security Auditor | KirkpatrickPrice**

Jeneil Russell is an information security auditor with 20 years in the field of information technology and cybersecurity. She works with KirkpatrickPrice, helping clients mature their information security programs and achieve their security and compliance goals. Jeneil's specialties are in information security management, risk management, incident response, software development and cloud security.

In her role at KirkpatrickPrice, she performs SOC 1, SOC 2, HIPAA, FISMA, ISO 27001 audits, gap analyses and security risk assessments. She also enjoys doing Lunch & Learns with her clients.

Jeneil has touched many areas of IT from working as web developer to a database administrator to a CISO.

Jeneil is a college graduate from Dartmouth College and has a Master of Science in Computer Information Systems with a concentration in Security from Boston University. Her certifications include CISSP, CCSP, CISA and CISM.

Jeneil currently lives in Huntsville, AL with her husband, 2 teenaged daughters and 1 rowdy puppy.
