

## INDIANA CONFERENCE UMC TRIP TO AFRICA UNIVERSITY

First, it was a **DREAM**, especially of Africa Bishops Kulah and DeCarvallho. It began in rehabilitated old farm buildings in northeastern Zimbabwe with 41 students.

And then it was a **MIRACLE**, dubbed by some as the most important thing the United Methodist Church has done in our lifetime. Now, after only twenty-five years, there are 1100 students on a vibrant college campus with dormitories, classroom buildings, a chapel, and student center. Its 7500 graduates are making a difference all over Africa -- in churches, schools, businesses, governments, and many individual lives.

**YOU** can be a part of this Miracle. Travel to Zimbabwe next fall (approximately October 22 to November 8, 2018) to *meet* students and faculty, *experience* the campus in action, for a brief time *be a part* of the miracle, and then *share* the story of Africa University when you return home. Get more information about the trip from Bonnie Albert. Some scholarship funds will be available for young United Methodist clergy and laity. Contact Rev. Colin Cress for more scholarship details (deadline January 5, 2018).

**Late October  
2018**

**Travel from  
Indiana to  
Zimbabwe**

**Scholarships  
available for  
young lay and  
clergy United  
Methodists**

**Scholarship  
information from  
Rev. Colin Cress**
