

**Youth and Young Adults are invited to share in a Facebook group designed specifically for them!**

[\*\*Georgia Transitions – Youth Group\*\*](#) is a place for teens and young adults to get information that will help answer the question, "What are you going to do after high school"? It doesn't matter if you are continuing with school, training for or getting a job, or preparing to live life on your own--we can all use a little help!

So, pose a question, reveal a dream, or share a resource and let's help each other transition to the next phase of life . . . adulthood.

This group is CLOSED for privacy; however it's important to remember that nothing on the internet is completely confidential. Please check your individual privacy settings.
