

Transition to Adult Healthcare Workshops

In this training you will learn about the importance of knowing how to perform health-related tasks such as taking medication, calling in refills, making doctors' appointments, and more. Participants will learn about how to ensure continuity of Medicare, legal issues, timelines and more..... Parents, caregivers, teens and young adults are all invited. You might also be eligible to receive a \$25 stipend for attending.

Four more sessions will be coming up around the state. Stay tuned!
