

## Studio Movie Grill Schedule

Studio Movie Grill presents sensory friendly screenings *free* for children with disabilities and their siblings on designated dates at 11:00am in Duluth and Alpharetta. Everyone else pays before noon matinee price. Choose specially marked food items from the Studio Movie Grill “Chefs for Children” menu and 5% of the proceeds from these purchases will benefit P2P!

Sensory friendly screenings run with the lights up and sound down so the children are free to laugh, play, sing and even dance while they watch. Seating available on first come, first served basis at Duluth and Alpharetta locations. Check SMG theaters for confirmation of screenings.
