

Studio Movie Grill Schedule

Studio Movie Grill presents sensory friendly screenings *free* for children with disabilities and their siblings on designated dates at 11:00am in Duluth and Alpharetta. Everyone else pays before noon matinee price. Ask your server for the “**Chefs for Children**” menu special and 5% of the proceeds from these food items will benefit P2P!

Sensory friendly screenings run with the lights up and sound down so the children are free to laugh, play, sing and even dance while they watch. Seating available on first come, first served basis at Duluth and Alpharetta locations. Check SMG theaters for confirmation of screenings.
