Student Mileage Club

Outside regular P.E. classes, organize student mile runs or walks. Students can earn toe tokens upon each mile completion.

TOE TOKENS

5 miles completed = 1 toe token

Students can attach toe tokens to their shoelaces as a badge of honor to show off how many miles they have completed.

Optional: Award students with prizes after earning a certain number of toe tokens. For example, after 5 toe tokens have been earned, students can earn a water pouch or other prize.

**Suggestion: Apply for a 2025-2026 Healthy Schools, Healthy Children Physical Activity enhancement or innovation grant opportunity to support the Student Mileage Club*

Guidelines

- Minimum 10 students must participate.
- Mile runs or walks must be held outside of regular P.E. classes.
- Mile runs or walks can take place during recess.
- Official clubs can be before or after school.
- Schools will receive a starter kit that includes a bag of toe tokens to give out to students, plus 10 water pouches to use as incentives or prizes.
- Pedometers available upon request.
