

FIND A FRIEND BINGO

Feeling nervous about meeting new people and making friends? It's ok, we all feel this way sometimes! Take a moment to pause, breathe, and tell yourself "I can do this!" Now, let's get to know each other through a fun game of BINGO!

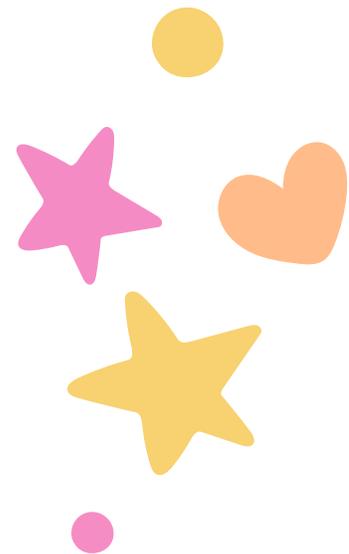

TIME TO PLAY

INDEPENDENT OPTION:

1. Move around the room and find friends that match the messages in each box.
2. Once you've found a match, have that friend write their name in the space provided.
3. Each person can write their name in only one box!

ADULT-LED OPTION:

1. An adult will read the message inside each BINGO box, for example "Find a friend who likes broccoli."
2. Your job is to move around the room and find a friend who likes broccoli.
3. Then, have this friend write their name inside the box that says, "likes broccoli."
4. Once complete, raise your hand to show you're ready for the next message!
