Finance, HR, Governance & Corporate Support
INTEGRATED FOR NONPROFIT LEADERSHIP

Complete Business Office For Finance & HR, Built Exclusively For Nonprofits & Faith-Based Organizations

A Trusted Partner For Leaders Navigating Growth & Complexity

Missionwell partners with leaders who need experienced financial and people operations support, including the depth of a CFO or CHRO and a fully staffed Finance or HR team, without the cost or complexity of hiring multiple full-time roles.

One Of The Only Firms That Integrates Finance & HR, Helping Leaders Make People Decisions With Full Financial Context & Long-Term Clarity

Why Organizations Choose Missionwell

Beyond bookkeeping, Missionwell provides right sized executive level engagement, scaled to each organization's season. Our teams bring deep, lived understanding of nonprofit and faith-based contexts—navigating governance, grants, boards, compliance, and stewardship.

Finance & Accounting

Our services include accounting and bookkeeping, grant and fund accounting, monthly financial reporting and analysis, budgeting and forecasting, audit preparation, and controller and CFO level leadership through part-time or fractional engagements. Our focus is delivering board-ready insight leaders can rely on.

Human Resources

Missionwell provides practical HR support: payroll & benefits administration, employee handbooks, policy development, recruiting, onboarding & offboarding, compliance, organizational design, compensation studies & coaching. Our HR work balances regulatory responsibility with care for people.

Governance & Corporate Support

We provide assessments of board operations, corporate strategy, board policies and procedures, start up assistance, CEO board partnership and other governance related support.
