

INFORMATION: KNOWLTON CAMPUS SCHOOL CLOSURE PROCEDURES

In the event that the Knowlton Campus is closed due to the coronavirus, we are still committed to teaching and learning. To make the process as smooth as possible, we ask that students and parents be aware of the following:

- Students will bring home computers, all books, and academic materials over Spring Break.
- All assignments and lessons will be posted through Schoology.
- Tests and quizzes will take place through Schoology.
- Teachers will be available to answer questions via email or may utilize other resources, to create a live online discussion at certain times of the day.
- Look for further communication over Spring Break for updates.

Students will be expected to keep up with assignments and respect the Honor Code when working remotely. Teachers are prepared to review all of these resources and options with the students in advance to make the process easier.

Schoology is our primary parent/student communications platform. If you are having trouble accessing Schoology, please contact our support team at support@canterburyflorida.org.
