

SNOW POLICY

POLICY in effect November 2018-April 2019

Self Help Inc. CFCE provides programming in 23 communities throughout the southeast (see below). Because of this, CFCE staff can be traveling from a long distance to their program. For their safety and for yours we have implemented a SNOW policy for all CFCE programs (playgroups, play and learns, music and movement, workshops, council meetings).

CFCE activities will definitely be cancelled if.....

- **The public school in the same town the program is being held in is closed OR**
- **Avon Public Schools is closed**

In addition, in order to keep staff and families safe, we reserve the right to cancel/postpone programs even if the above 2 conditions are not met. It is important that you make sure you check our calendar before heading out during inclement weather.

We will post cancellations of our programs on our calendar, at least 1 hour before the program is scheduled to begin. The calendar can be found at <http://selfhelpcpc.org/calendar/>

CFCE Program Specialist will make every effort to contact families who have PRE-REGISTERED for the program in the event of a program cancellation. CFCE staff will also leave a message on their voicemail.

Please be safe when deciding if you are going to try and attend a CFCE activity on a day with inclement weather, and PLEASE ALWAYS check our calendar before you hit the road!!!
