Reminder on Open Enrollment Dates

Medicare's Annual Enrollment Period runs from Oct. 15 through Dec. 7 for anyone on Medicare to enroll in plans or make changes, with coverage starting on Jan. 1, 2026. Please keep this in mind as patients may ask what networks you, as a provider, are in when making their own decisions.

If your patients have any questions, our Medicare experts host a "Medicare Made Easy" video series addressing common questions about Medicare and health topics of interest to people 65 and older.

Visit the Louisiana Blue YouTube channel (www.youtube.com/@MyLouisianaBlue) to see the "Medicare Made Easy" video playlist. The playlist features short videos from in-house experts, including a Medicare 101 video (5:47) that explains the different parts of Medicare and what to consider when picking a plan.

The Louisiana Blue YouTube channel also has videos about various health topics from our clinical team, including doctors, nurses and pharmacists. You also can see recordings of past Medicare Made Easy virtual educational events on the YouTube channel. Subscribe to know when new videos are added.
