Future Louisiana Blue Webinar Dates

Louisiana Blue provider workshops and webinars keep you informed on information and processes relevant to how you serve your patients — our members. In the coming months, we will host several webinars for providers that are new to our networks, our Provider Credentialing and Data Management (PCDM) Department, the changes coming to our behavioral health processes in 2026 and more.

Preregistration is required to attend our workshops.

Register for our webinars through the Weekly Digest email, sent out each Thursday. This notice includes registration links to upcoming webinars. Once registered, you will receive a confirmation email with attendance instructions.

Webinars currently scheduled for November:

- Nov. 5 – New to Louisiana Blue
- Nov. 11 & 13 – Behavioral Health
- Nov. 19 – PCDM

Preregistration for these events will typically go out 30 days ahead of the specific events. Please read the Weekly Digest email for the specific date and location that will apply to you as they are announced.
