

New to Blue Advantage Webinar Coming in October

Blue Advantage will host our New to Blue Advantage provider webinar on Wednesday, Oct. 15.

The New to Blue Advantage Webinar is for any provider who recently signed a Blue Advantage contract and their staff. It is also recommended that existing providers have their new staff personnel attend this webinar.

Find registration links in the "Events" section of our Provider Weekly Digests. Registration links are included approximately one month prior to each event. Provider Weekly Digests are sent to the correspondence email address. If the correspondence information on your provider record needs updating, you may use our Individual/Group Provider Update Request Form to make updates. It is available at www.lablue.com/providers, click "Resources," then "Forms."
