DAYBREAK

## *From The Directors Heart*

We are pleased to report an increase in client engagement. Our advertising initiatives have resulted in significantly higher call volumes. Through various community partnerships, we are seeing more individuals contacting us to participate in our incentive program, specifically our "Earn While You Learn" parenting classes. For several weeks, our appointment schedule has been at full capacity. With the arrival of spring, both our volunteers and staff have been managing numerous personal commitments alongside their professional responsibilities. Each workday presents a time management challenge that many of you likely understand.

I find strength in Psalm 91:1, "He who dwells in the shelter of the Highest will rest in the shadow of the Almighty." This verse has become a frequent meditation throughout our busy days. There is profound comfort in envisioning oneself resting in His shadow. I hope you also find solace in the protection of the Almighty—is there truly any other genuine source of rest?

Your continued prayers and support are deeply appreciated; your partnership in protecting the unborn is both valued and essential to our mission.

*Serving in Christ,*  
Linda Mitchell

## *Why Daybreak?*

At Daybreak Pregnancy Care Center, we are more than just a resource center. We are a professional community dedicated to providing you with the support, knowledge, and care you need during this significant time.

*Professional Care:* We treat every family with dignity and respect.

*Comprehensive Resources:* From prenatal care to parenting classes, we offer a wide range of services.

Please visit our website for complete details.

We have much to appreciate at DBPRC, from the clients we have the privilege to serve to the volunteers and donors who contribute their expertise and resources to fulfilling our mission consistently. We strive to address the needs of our clients professionally, ensuring both a positive experience at our center and opportunities for personal growth throughout their journey.

## *Here are some quotes from some of our clients that show us just how they feel!*

*"When I registered, I didn't feel like I was being judged, I felt welcome."*

*"The teachers are always nice and willing to help you."*

*"They have shown my family love and compassion the way Christ would."*

*"I'm glad I found out about this class and referred many people to this program. This program has really been a blessing."*

## ***Earn While You Learn Program***

Clients are encouraged to take part in educational professional video classes on topics such as life skills, infant care, and parenting. After each Earn While You Learn visit clients earn points that can be used to shop through our boutique for diapers and new or gently used items. Points can also be earned by actively participating in our support groups. Churches and individuals may provide showers and higher-priced items for clients upon their completion of the Earn While You Learn program.

The primary mission of the Pregnancy Center is to share the compassion, hope, and help of Jesus Christ---both in word and deed---with those facing pregnancy decisions. The pregnancy is equally committed to sharing the Gospel of salvation through Jesus Christ with those it serves. Commensurate with these purposes, all board, staff, and regular volunteers (including all that work directly with clients) of the pregnancy center have made a profession of faith to trust Jesus Christ as their Savior and Lord.
