

Daybreak Resource Center

March 20th / Newsletter

Linda Mitchell, Executive Director

*At Pregnancy Resources, we are entrusted with a sacred calling: to walk alongside women and families during some of the most fragile moments of their lives. Many arrive burdened by crisis, weighed down by voices telling them there is no option, and struggling to imagine a future that includes both hope and life. **These encounters are moments where compassion must be steady, truth must be gentle, and love must be unwavering.***

*Through your faithful generosity in 2025 and continued in 2026, this mission continues to grow and reach further than before. Hundreds of meaningful interactions became opportunities for lives to be safeguarded, hearts to be encouraged and families to be strengthened. **Every appointment represented a potential turning point---where courage began to rise, where worth was affirmed, and where parents could begin to envision a different story for themselves and their child.** Again, we saw moms and dads realize they were supported, valued, and capable of choosing life with confidence.*

*As we move on into 2026, we do so anchor in God's enduring promise from Isaiah 43:19: **"See, I am doing a new thing.... I am making way in the wilderness and streams in The wasteland"***

This is a comforting reminder that even in barren and confusing places, the Waymaker brings renewal and direction. The road ahead may feel uncertain, but the Lord is already preparing what comes next, creating movement where there once was only stillness.

So often, the individuals who seek our care are facing crossroads filled with anxiety and unanswered questions. Yet we consistently witness God's hand at work long before the outcome is clear. He provides direction when circumstances feel closed off and breathes restoration into situations marked by pain. Your partnership makes it possible. Because you give, doors remain open, counselors remain present, and families encounter an environment shaped by mercy, wisdom, and truth.

Our educational and discipleship opportunities are designed to meet parents exactly where they are and equip them for what lies ahead. Through accredited parenting

classes, healthy pregnancy education, and basic baby care instructions, mothers and fathers gain practical knowledge that builds confidence and reduces fear. These courses offer more than information.... they provide a foundation for stability, informed decision-making, and bring long term family health, all rooted in Biblical truth.

For fathers, we offer fatherhood classes and mentoring led by dads for dads. In these spaces, men are encouraged to embrace their role with purpose and courage, learning what it means to be present, engaged and committed. Honest conversations, shared experiences, and Christ centered guidance help fathers grow into leaders within their families and communities.

Together, these programs invite parents to intentionally step into parenting as proactive, involved individuals—no longer overwhelmed by the unknown, but equipped to move forward with clarity and confidence. Because of generous partners like you, these opportunities remain accessible and life—changing.

Through education, discipleship, and community, we see Daybreak Center at work --- Transforming uncertainty into preparedness, fear into confidence, and families into strong, faith-filled foundations for the new generation.

Daybreak Pregnancy Resource Center has saved babies, mothers, fathers, through our care and healing ministry, we witness Isaiah 43:19 lived out in quiet, transformative ways

transformative ways. In spaces designed for safety and trust, participants gather in gender-specific small groups, surrounded by others who understand their journey. These groups

offer a compassionate environment where stories can be shared without judgement and where hearts began to soften under the assurance of God's mercy.

Daybreak Pregnancy Center services and mission exist, due to the generous donors. This is a vital service to our communities, Dooly, Crisp and Wilcox.

If you would like to tour the Center, and see what your donations are used, please call 229 805-3332 or 229 268-1261. Check out our Facebook Page, (Daybreak Pregnancy Center Vienna, and our website.

Daybreak Staff, Clients and our communities Thank You!
