John 14:6 – The way, the truth, and Life: In our savior's words
in John 14:6 declaring Himself the Way, the Truth and Life, we embark on a mission to “Speak Life” to all who enter our doors. The phrase echoes in our hearts and serves as our compass for 2025 and beyond.

Sharing the Way: Our missions extend beyond words; it is about “Sharing the Way. “Through the Bible studies and mentoring, we illuminate the path toward hope and redemption. We desire to reveal the inherent worth every individual process in Christ, mothers, fathers, and their babies. Empowering them to break free from generational curses and redirect the course of their lives

Speaking the truth: In a world clouded by uncertainly and difficult choices, our commitment is to” Speak the truth.” We acknowledge the weight of the decisions our clients face and, with compassion rooted in Christ, give them unwavering honesty, support, and encouragement to choose life.

Speaking, Life: It is transformative, not just in the present moment but for the trajectory of lives and generations to come. As we stand at the threshold of 2025, we are committed to speaking life, encouraging women and men to choose life, and embracing Christ’s abundant life.

Your continued partnership has been the bedrock of our ability to “Speak Life” to those we serve. The next months of 2025 we invite you to journey with us as we embrace this powerful theme and endeavor to make an external impact witnessing lives transformed, families strengthened and hope rekindled. **Your Support makes this all possible.**

Daybreak Pregnancy Resource Center
1300 Union St.
Vienna, Georgia 31015

“And let us not grow weary of doing good, for in due season we will reap if we don’t give up.” Galatians 6:9

Every morning the staff and volunteers gather to pray over each person who steps into our clinics, and we place every client into His hands. We ask for wisdom that can only come from above.

We recently had a client come into our center wanting to receive information about abortion procedures. She was facing an unexpected pregnancy, and her boyfriend was pressuring her to have an abortion. One of our client advocates sat down with the client and took some time to understand the client’s biggest concerns and fears related to being pregnant. As the conversation unfolded, God’s love, and divine plan became a key part of the discussion. The client was reminded of the Gospel and began embracing God’s truth about her baby’s creation. In the following weeks, the client made a life-affirming decision to keep her baby and return to school and work so that she could be better equipped to care for her new baby upon arrival. She started our Earn-While-You-Learn -Program and has tried to surround herself with family and friends who will support her and her pregnancy. This is a beautiful example of Gods grace, mercy, and provision! We at Daybreak are all thankful for the opportunity to be part of Gods ministry.

Client Corner..... Introducing Sabrina

*What can I say about, Daybreak.... From the moment I walked in I felt love, compassion and respect from everyone. I’m so happy I found Daybreak; they have taught me so much about life in general. When I first walked in, I thought this was a place to get pregnancy tests and information about babies, but it’s so much more! When you are sad about things and not doing well in life-somebody is always there to greet you with a smile and a hug if needed. When my faith was at a low point, they helped build it up with the different Bible classes, sitting down with me, talking, listening, and praying. Anything I struggled with there is someone at Daybreak to help. I am grateful and beyond blessed to have the people at Daybreak in my life, and I would like to say thank you, from the bottom of my heart for being who you are, serving the communities and having a heart like God’s! You are a wonderful bunch and I hope God blesses each one of you beyond your dreams and may blessings continue to fall from heaven into Daybreak, “God’s Army.” **Sabrina***
