

About Us...Daybreak

The vision of our center is to be a resource for women who are experiencing life that hasn't quite turned out the way it looks in the movies or on TV and who just want to find a place where someone will listen.

Our Vision this year is to see more fathers become even more involved in the decision-making process of choosing life for their unborn children. We believe that when fathers are engaged and supportive, they have a tremendous impact on a life-affirming decision.

We desire to be the place where we take every opportunity to use our life experiences and be examples as we build relationships and do life together with every person that comes through the doors of the center.

*Our **Earn While You Learn Program** offers the client an introduction into the milestones of Pregnancy and Parenting as well as life skills. Through each appointment, whether it is a class or just time to talk, clients are given an opportunity to ask questions about themselves and their roles as parents.*

*We come alongside each client by offering an opportunity to earn **Baby Bucks** and be able to provide the material items to take care of their babies. **Baby Bucks** are exchanged for items displayed in our Baby Boutique.*

*Empowering, Equipping, and supporting individuals as they make healthy choices for life will provide a foundation for the future of **Crisp, Dooly & Wilcox Counties**.*

*Daybreak Pregnancy Care Center is meeting real needs of women, men, and children in our communities. The gifts from our churches allow the important life-saving work of this ministry to continue without interruption. We have many babies who were born and not aborted, with the help of Daybreak. Our clients heard the gospel of Christ shared in a way which touched their hearts and lead them to reconsider new life in Him. Children were clothed, fed and nurtured through our **Earn While you Learn Program**.*

Your Churches participation and help will enable us to continue to offer practical and spiritual help to those in need. Please continue to keep us in your prayers. From the bottom of my heart, I thank each of you for all your support. Together we can make a difference.

Introducing some of the Churches who support us: We are grateful for **Pastor Mark Grinstead** and his congregation, we were hosted with an awesome Baby Shower, and a financial gift, if you are looking for a mission-minded, and family atmosphere, visit Unadilla First Baptist Church

Pastor Mark Grinstead, I found a heart that cares

Why do we share in the vision and cause of Daybreak Center? It's simple I had to take sides. I had to ask where did Jesus on social issues like the abuse and murder of the preborn and newborn. If He believed in confronting the social injustice of His Day, as his follower, I must do the same. I decided.

We must take sides. Neutrality helps the oppressor, never the victim. Silence encourages the tormentor, never the tormented." -Linda Mitchell

Volunteer Spot-Light:

Amy Byrant, I am a new volunteer . The last several weeks, I have been a volunteer at Daybreak. I know this is where the Lord was leading me to serve. The staff and volunteers at the DBPRC, are an amazing group of people who are living Godly Women(&men) who want to help women, not only with their pregnancies, but with parenting classes, resources, and teaching them about the Lord.

**May the mind of Christ my Savior,
Live in me from day to Day,
And His love & Power controlling,
All I do & all I say.”**
