

.. Daybreak Center is Changing Lives!

**DBPCC Director
Linda Mitchell**

As I look at the growth of Daybreak Pregnancy Care Center since we started in 2011, I am extremely proud of what we have been able to achieve. I am more excited about our outlook for an equally promising future. **DBPCC** has gathered the support of our communities and establishes strategies to reach even more suffering women, men, children in the communities. Among our most important assets are **DBPCC** passionate board members and staff. They empower our families to become independent citizens of our communities. **DBPCC** is committed to delivering the highest quality service to our clients. Each new day offers a chance for us to pursue new opportunities and improve upon the past. we continue to manage our ministry around the evolving needs of our communities- that puts us on the forefront of Changing Lives!

Thank You Board Members!

We could not change lives without your help!!!

When you walk into DBPCC, you will experience warmth, kindness, and compassion, both from our volunteers. We are specialist bring care, comfort, and practical solutions.

We listen and learn about a woman's situation, walk her through her options and empower her to make decisions.

DBPCC provides classes and ongoing support systems.

We are so encouraged by the faithfulness of our partners in prayer, support, and giving.

We trust that God will continue to supply our needs as we move forward at DBPCC as we celebrate life.

Message from the Director

Being a good mother is one of the toughest jobs, in the world, and it's almost impossible when you are young, maybe homeless, or without family.

Our Life Skills Program was created to help these determined mothers and pregnant teenagers secure a brighter, more stable future for themselves and their babies.

DBPCC counselors motivate each mother to work hard toward achieving independence. Our counselors are available to help them create a plan for their future by lending an ear, offering advice or sometimes by being a stern voice, if circumstances call for it.

Participants in the "Earn While You Learn Program" attend workshops in parenting skills, childbearing, and single parenthood. We work to make sure the girls understand the importance of leading a healthy lifestyle, both for themselves and their children.

Daybreak Pregnancy Resource Center is the embodiment of hope for growing families in need, and we are so very grateful for all the support we have, and will continue to receive. We could not continue this mission out-reach without our supporters and our generous donors. We thank each of you for making difference in so many families, and their children.

Thank You!

Our Twins, Daybreak

Our Client States what DBPCC Means to Her.

They taught us to wish for fulfillment in our pregnancy, and helped to build confidence in our parenting skills. While helping us trust ourselves, ensuring us we will be the best parents we can be. They supported us when we had little to no emotional, psychological, spiritual monetary support. DBPCC has always been available for anything we needed, always welcomed us with a smile, and more importantly, allowed us to be part of their family.

DBPCC is the embodiment of hope for growing families in need, and we are so very grateful for all the support we have, and will continue to receive.

Thank you, from a client!!!

**We Thank you!
Thank you, we have life!!!!**

My baby has a life! Thanks,!

Thank you, I am here!!

We always want to remember our Donor's, without you we could not continue our ministry and outreach to so many, I hope you know the impact you are making on the clients lives and their babies. You are giving them truth, help, and a chance abundant life. Please know that your continued prayers and gifts are absolutely critical to the work of Daybreak.
