## ***It's a Wonderful Life***

### **From The Directors Heart**

*This is an amazing year so far. God has been moving and stretching us like never before.*

*We are excited about the increased amount of client activity. Through the advertising efforts.*

*Our phones are busier than ever! Through various community resources, we are also increasing the number of women calling to enroll in our parenting classes. For more than two weeks we have completely been filled with appointments! Our volunteers and staff have been experiencing personal events that have been keeping them unusually busy. Each day seems to be a "race against the clock". I am sure all of you can relate to this type of busyness.*

*I find my rock in Psalm 91:1, "He dwells in the shelter of the Highest will rest in the shadow of the Almighty." I find myself reciting this several times throughout the busy days. It is a comfort to imagine myself resting in His shadow. I hope you also find rest in the shadow of the Almighty.....Is there any other real rest?*

*We are planning a fundraising event soon. When all the details are confirmed, we will let each of you know. Our Center is now very active and serving Crisp, Dooly, Wilcox Counties. As we have went from serving one client, we are now to up to approximately 40 clients weekly, we are using our monetary donations and material donations, our donations are slowly being depleted. I will list some of the material things our center is in need of. My personal services to our communities come solely from my Heart, the compassion for others to make a difference in their lives. I cannot do this alone, without our volunteers, donors, Churches, businesses, and other Organizations we have made a difference in many lives. We are on a mission, outreach to assist and assure each and every client that comes through our doors, we have made a difference.*

*We are excited about a fund-raiser and will celebrate all that God has done for us during the last few years!*

*Before we get to the fund-raiser month to need material and monetary donations, we are daily depleting or clothing for all, our two new baby boutiques are very slim we need both baby boys clothing and baby girl clothing.*

*Being the Director of Daybreak, I am not a paid Director/employee.*

*I do what God has led me to do for these precious babies, The Mothers-to-be and families. I feel in my heart God will provide, my services to our communities are 100% free. Daybreak has no paid employees. Our objectives of our position at Daybreak: An ambassador of Jesus Christ, the (coach/advocate) offers clients making a pregnancy decision or coping with the results of their choice compassion, hope, help, and Christ-Centered support.*

*Thank you all for your prayers and support; your partnership for the protection of the unborn is appreciated and valued, **Serving together in Christ, Linda***

## *Clients Experience*

*Ms. Melissa Slagle, one of our  
Instructors, parenting classes*

*We consistently try to meet the needs to ensure that they are satisfied with their experience at the center, as well as growing in faith at the same time. Here are some quotes from some of our clients' that show us just how they feel.*

*"When I registered, I didn't feel like I was being judged, I felt welcomed.*

*"The teachers are always nice and willing to help you."*

*"They have shown my family love and compassion the way Christ would."*

*"I am glad I found out about the Parenting classes Daybreak has, I have also referred many people to do this program. This program has helped me to be a better Mother-to-be, my first baby.*

***Help make one more life a Wonderful Life By being one of our supporters!!!!***

*As mentioned, because of new and continued support from donors and volunteers like you, the pregnancy center has experienced considerable growth over the past few years. This growth is helping minister to women and families in a way that has not been possible before. As the ministry has grown, we need supplies and monetary donations to help keep us going.*
