

Pathways to Independence with IRI

Strengthening Community Transitions for Individuals Without Managed Care Coverage

Join Independent Resources, Inc. (IRI) for a networking evening focused on improving transition outcomes for individuals returning to the community from institutional settings.

We will present our premier Transition Program, which bridges gaps for those lacking Medicaid or Medicare managed care plans by connecting them with essential resources and independent living supports.

Discover how partnering with IRI can help providers ensure safer, more successful discharges through our comprehensive community services.
