22 (b) (i) ~~The general assembly finds, determines, and declares that~~  
23 ~~the rating organization that studied the impact of the changes in Senate~~  
24 ~~Bill 91-218, enacted at the first regular session of the fifty-eighth general~~  
25 ~~assembly, assumed that scheduled injuries would remain on the schedule~~  
26 ~~and nonscheduled injuries would be compensated as medical impairment~~  
27 ~~benefits. Therefore, the general assembly finds, determines, and declares~~

1 that the purpose of changing the provisions of subparagraph (H) of this  
2 paragraph (b), as amended by House Bill 99-1157, enacted at the first  
3 regular session of the sixty-second general assembly, is to clarify that  
4 scheduled injuries shall be compensated as provided on the schedule and  
5 nonscheduled injuries shall be compensated as medical impairment  
6 benefits, and that, when an injured worker sustains both scheduled and  
7 nonscheduled injuries, the losses shall be compensated on the schedule  
8 for scheduled injuries and the nonscheduled injuries shall be compensated  
9 as medical impairment benefits. The general assembly further determines  
10 and declares that mental or emotional stress shall be compensated  
11 pursuant to section 8-41-301 (2) and shall not be combined with a  
12 scheduled or a nonscheduled injury.

13 (H) Except as provided in subsection (8) of this section, where an  
14 injury causes the loss of, loss of use of, or partial loss of use of any  
15 member specified in the foregoing schedule, the amount of permanent  
16 partial disability shall be the proportionate share of the amount stated in  
17 the above schedule for the total loss of a member, and such amount shall  
18 be in addition to compensation for temporary disability. Where an injury  
19 causes a loss set forth in the schedule in subsection (2) of this section and  
20 a loss set forth for medical impairment benefits in subsection (8) of this  
21 section, the loss set forth in the schedule found in said subsection (2) shall  
22 be compensated solely on the basis of such schedule and the loss set forth  
23 in said subsection (8) shall be compensated solely on the basis for such  
24 medical impairment benefits specified in said subsection (8).

25 (H) Mental or emotional stress shall be compensated pursuant to  
26 section 8-41-301 (2) and shall not be combined with a scheduled or a  
27 nonscheduled injury, except for the purposes of calculating a claimant's

1     ~~impairment rating to determine the applicable cap for benefits pursuant~~  
2     ~~to section 8-42-107.5.~~

3             ~~(IV) When an employee sustains an injury on the schedule of~~  
4     ~~injuries listed in subsection (2) of this section that may also be~~  
5     ~~compensated as specified in subsection (8) of this section, if the amount~~  
6     ~~of compensation for medical impairment when using the schedule of~~  
7     ~~injuries in subsection (2) of this section would be greater than the~~  
8     ~~nonscheduled impairment benefits in subsection (8) of this section, then~~  
9     ~~the employee is entitled to the compensation specified in subsection (2)~~  
10    ~~of this section.~~

11            **(8) Medical impairment benefits - determination of MMI for**

14    ~~is limited to medical impairment benefits calculated as provided in this~~  
15    ~~subsection (8), except as provided in subsection (7)(b)(IV) of this section~~  
16    THE MEDICAL IMPAIRMENT BENEFITS ARE DETERMINED AS A PERCENTAGE  
17    OF THE WHOLE PERSON BASED ON THE REVISED THIRD EDITION OF THE

20    for determination of maximum medical improvement set forth in  
21    subsection (8)(b) of this section are available in ALL cases of injuries. ~~set~~

25    ~~an arm at the shoulder, a forearm at the elbow, a hand at the wrist, a leg~~

27    ~~loss of a leg at or above the knee where the stump remains sufficient to~~

1 ~~permit the use of an artificial limb, a foot at the ankle, an eye, or a~~
