

Hammon "Tom" Becken
1936 - 2025

It is with profound sadness that we share the news of the passing of Tom Becken. Tom has been a trailblazer in the construction materials industry and his legacy will continue to live on for generations. Tom dedicated over 68 years of service to Cemstone and TCC Materials. His leadership and innovation guided us through challenges, great triumphs and successes.

Tom grew our family business from just a few aggregate, packaging, and ready-mix plants into the thriving business we are today. His hard work, intelligence, and relentless pursuit of excellence have been the cornerstone of who we are. Tom was more than the owner; he was a dad, a brother, a grandfather, a great grandfather, a mentor, and a friend.
