RIMBA Report Card – VIDEO SUBMISSIONS WELCOMED!

Dear RIMBA Member:

RIMBA is requesting that you give us a performance review: a Report Card! How well is RIMBA delivering on the three areas that we feel are imperative for us to focus on in return for your annual investment in our mission:

- Legislation
- Education
- Member Engagement

Submit your Videos:
Many of you have been supporting us for years, some almost since our inception in 1987. It would seem that you do see sufficient value. If that is the case, **please consider taking a short video stating how well you feel that we are delivering on our value proposition.**

Many of you, especially the Lenders, always request that your clients consider evaluating how satisfied they were with your service. That is our ask today. Obviously, just like you, we are hoping for 5-star reviews!

Ideally, your videos will be no longer than a minute - 45 seconds seems to be the sweet spot - and you can send them to our PR firm at - **info@mainst.agency** They will curate them, edit where necessary (mostly for time), and post them on our website as well as all of our social media outlets.

Submit Your Comments:
While we certainly attempt to continually provide a satisfactory ROI for you, you might feel that we have dropped the ball somewhere or that there are ways that we can improve on our delivery or add new things to our agenda. We definitely want that input as well. In fact, we ask for that annually in our Membership Renewal letters.

Please send those comments directly to Carolyn Dion-Motta info@rimba.org **AND** Tom Fleming thomas.fleming@verizon.net. Tom, our Executive Vice President, will contact you to discuss them with you.

Looking forward to those videos, and we sincerely appreciate your support of this performance evaluation.

The RIMBA Board of Directors

"If you are working in the mortgage industry in Rhode Island, it is because RIMBA has been working for you!"
