CLUB OF ANN ARBOR

Volume 12, Issue 7

November 16, 2020

President Margaret 'Rang the Bell' to start our meeting and Mary Schwartz announced that today is November 16, 2020. Claire Dahl then played "My Country 'Tis of Thee". Our invocation was by Doug Ziesemer. The club meetings are recorded, click this [link](#) to view today's / past Monday Zoom meetings.

TODAY'S PROGRAM...Blue Lion Fitness

Dennis Powers began the program today, noting we have three small, local businesses telling us what they're doing to survive during this COVID-19 pandemic. He introduced one of them, our speaker and Blue Lion Fitness Center co-owner, Ryan Van Bergen. Blue Lion, a unique fitness center and Division One strength conditioning operation, is located near Stadium and S. Maple, near the Kroger store. Ryan played football at UofM and went on to be drafted by the Carolina Panthers, so he knows fitness. Ryan spoke to us about his Fitness Center and the challenges of operating during the pandemic. This is particularly of interest now in light of the Governor's new COVID-19 restrictions which were issued Sunday night. Ryan said that Blue Lion has lost over \$100,000 during the COVID-19 shutdown and that another shutdown could be its death knell.

Today's Speaker
Ryan Van Bergen

Ryan says this year has been the craziest year that Blue Lion Fitness has seen in its short 5-year run though they are continuing to adapt and modify, and look for ways to improve. Their goal continues to be to provide the safest possible workout environment with whatever health officials and government officials will allow. While they're trying to implement as many safety procedures as possible, they're also trying to 'stay in the black' at the end of every month. They are managing to pay their employees and not a single case of COVID-19 has been traced back to them. The feedback they've gotten from their clients is positive and they're pleased that they're safe and secure in this fitness center. Blue Lion used to have classes with 18 to 21 people sharing equipment. That has been eliminated and they now have implemented what they call 'Lanes' with specific dimensions. Each of these Lane stations has its own sanitizing supplies and everything is completely wiped down so there can be no cross contamination. Clients will never touch equipment that someone else has used and they can only have 6 people in a class at any time, everyone wearing a mask. There is a rigorous cleaning process after each usage and, using this process, they have been able to get back on their feet. They hope to be on the back side of this in the start of 2021.

When asked about Boxing as a form of exercise for people with Parkinson's disease, Ryan said that while they do not offer it, it can be very good for people suffering from Parkinson's or those recovering from a stroke in developing hand/eye coordination.

Arno Buhr asked how Blue Lion can compete against other nationwide fitness facilities. Ryan said that they follow the three C's. Customer Service is one of the things that they emphasize in that they get to know each customer and what each likes to do. The second 'C' is Cleanliness where they go above and beyond what is necessary. The third 'C' is closing meaning that each member of their staff has answers to any type of question that may come up, such as how often to work out and what to eat.

We thank Ryan for spending the afternoon with us. Being physically active is one key to a healthy life and Blue Lion Fitness is a great place to start or expand on that journey to physical fitness. You can learn more at bluelionfitness.com

GUESTS AT OUR CLUB...

Larry and Nancy Memmer

We were joined today by Mary Schwartz, Lamese Saab and Pramith Senaratne of Circle K, Nancy and Larry Memmer (both from the Chelsea Club), Don and Gale Redding, Alan Redding, son of Don and Gale, Scott Virgo (Ypsi Kiwanis Past President), and today's speaker, Ryan Van Bergen.

Scott Virgo

HOSPITALITY...

Kathy Barden said there had been an update on **Dave Drake's** auto accident and that he had spent 14 days in the hospital. **Claire Dahl** added that since she and **John** live just a couple of houses away from the **Drakes**, she stopped in and talked to **Dave's** wife, Marilyn. Marilyn said the accident happened when **Dave** was out getting a pizza. The air bags went off and he has a broken sternum, along with some bruises. **Dave** is now recovering at home and he is doing all right. They have a son who lives in Canton and he's been helping them with errands, doctor appointments and so on. **Claire** has volunteered to help out so their son doesn't have to run in from Canton. **Ken Hillenburg** added that **Dave** joined in on last week's meeting and spoke with him at the very end of the meeting. **President Margaret** noted that **Dave** was in attendance in our meeting today and she wished him a speedy recovery.

Kathy said that **Peter Schork** had passed on an e-mail from **Ingrid Sheldon** about **Cliff**. **Cliff** is now recovering at home as of last Friday and Ingrid appreciates our encouraging, positive thoughts and our uplifting prayers. She is very thankful for the support of community. She said that when **Cliff** got home, he was tired and is resting but that he has not lost his sense of humor. **Peter** then added that he thinks that **Cliff** is doing much better and that prayers helped. **Cliff** then joined our meeting and said that he is in the recovery mode and is at home getting lots of doctor visits, physical therapy, and he is looking at the beginning of the journey back to good health. **Kathy** wished him good luck on his journey.

Kathy was not able to visit **Deb Jones** last week as she, **Kathy**, has been exposed to COVID-19 and is in quarantine. So far, she is doing fine and has no symptom. She said that she did take some goodies over to **Deb**.

William Hampton said that his family is all doing better in their recovery from COVID-19.

Mike Dabbs said that he had heard over the weekend that a fellow classmate of his at Pioneer High, Larry Hunter, had passed away. **Mike** said that Larry had been a strong advocate in the community and many of us may be acquainted with him. **Shana Barker** added that Larry was her Uncle and that his passing was very unexpected and shocking. **William Hampton** asked if that was the Larry Hunter who had been on City Council and **Shana** confirmed that. **Kathy** offered our condolences to **Shana** for her loss.

Max Zeigler reported that **Rip Kinney** has finished with his cancer treatments and is feeling pretty well. **Max** said that **Rip** would appreciate any calls from his fellow Kiwanians.

Fred Sanchez said that **Dot Catell** had a serious operation on her foot about a month and a half ago and she's making a slow recovery. She's doing well but, she's confined to the first floor of her house, which is making her a bit nuts.

ANNOUNCEMENTS...

- **Larry French** said that Wal-Mart has eliminated Saturdays for 'Warm the Children' and **Larry** has sent e-mails to those affected. He still has slots open on Thursdays and Fridays and he would appreciate more volunteers signing up on 'Sign Up Genius'.
- **Dan Dever** gave us an update from SMOC on the new COVID-19 orders. He said that the new COVID-19 guidelines that were issued last night do not impact our Sale. These restrictions reduce the building occupancy from 50% to 30% but doesn't affect us as we are still good at 292 people in the building. The elimination of ten people meetings doesn't affect us as we are meeting via Zoom. The only way that these new guidelines may affect us is if customers stay away out of being more cautious.

Margaret Krasnoff

ANNOUNCEMENTS CONTINUED ON PAGE 3

HONORARY MEMBERSHIP AWARDS...

Jerry Brown opened the ceremony, reminding us that Honorary Memberships are granted to non-club members who are nominated because they exemplify the ideals of Kiwanis in their lives. Each honorary member has performed distinguished public service in our community. The Honorary Membership Committee makes the selection and, after approval by the Board, they invite the selected person to become an Honorary Member of the Club for a year. Honorary club members pay no fees or dues, and they are entitled to all privileges of club membership except voting or holding club office. We encourage honorary members to participate in both business and social activities of the club. Today, an Honorary Membership was awarded to **Don Redding**.

Jerry asked **Lynne Lande** to introduce **Don Redding** and **Lynne** described **Don** as being a person who sees a need and, without being asked, finds a way to help. **Lynne** nominated **Don** because, in his retirement, he noticed that the non-profits that ran the concession stands at the UM football games had leftover food after the game was over. Rather than throw the food out, it was suggested that maybe the leftover food could be collected and used somewhere. **Don** contacted the UofM and arranged with Food Gatherers to send two workers and a refrigerated truck to collect the unsold food. At the next game they tried this, it rained and the game was cancelled due to lighting and they collected 2,500 unsold individual servings of food. Food Gatherers told **Don** that this was not the kind of food that they were looking for so **Don** arranged to have the food collected and stored in the walk-in freezer beneath the stadium. On the Monday after the game, **Don** rented a truck and had the food delivered to Cass Social Services in Detroit. Two years later, **Don** arranged to do the same thing after home basketball games. Over the course of these collections, **Don** estimates they have distributed 15,000 pounds of food each year.

Jerry Brown

Don Redding, Honorary Member, with his wife Gail

Food Rescue is not the only project that **Don** has started. He was involved working at, and in recruiting volunteers for, Habitat for Humanity and was later recognized as their 'Volunteer of the Year'. **Dale Leslie** added that **Don** has also been a pillar to local Scouting. When asked what motivates him to do these things, **Don** said: 'Christianity is not a spectator sport' and notes we all have an obligation to reach out in our community and do what we can. **Lynne** concluded by saying it was an honor to nominate **Don** for this Honorary Membership. **Don** didn't have an acceptance speech prepared but he did say that he recognizes and appreciates all of the things our Kiwanis Club does for the community. He is honored to accept this membership. Welcome to the Club, **Don**. We are honored to have you.

~~~~~

### ANNOUNCEMENTS CONTINUED...

◆ **Jim Wolfington** gave us the Sales Report and he announced that this week's Voucher\* team will include Ellen Webb, Marsha Hubbard, Debbie Rydzon, Claire Dahl, Catherine Gravlin, Linda Ridley, Julanne Williams and Kate Sullivan. **Jim** then said that Michigan's cucumber/pickle production is unmatched by any other state in the union at nearly a quarter million tons. He mentioned that because this last Saturday was 'National Pickle Day', which he said was "a very sour excuse for a celebration". Back in the day, Berrien Springs, Michigan held a late December celebration for pickles. The nursery is attempting to bring this celebration back to life. **President Margaret** then said that it was a pleasure to have **Jim** back from his absence. \*As of publication date, Vouchers have been cancelled through the end of December.

- ◆ Don't forget - Wednesday, November 18 is the last day to place your order to participate in the **THOMAS OLIVER GREETING CARD PROGRAM**. Click [here](#) or see last week's Newsletter if you need a copy of the order form.
- ◆ December 5th and Kiwanis Bell Ringing will be here before you know it. See page 7 for information on how you can sign up to help the **Salvation Army** on this date. The need is greater than ever this year.

**FINES...**

**Dan Dever** proposed a fine on **President Margaret** as she will no longer have to be holding hands with her computer to enhance the sound. **Nick Dever** and others seconded that motion and it passed, 24 to 1.

**HAPPY DOLLARS...**

- ☺ **Dale Leslie** had one happy dollar because his son, daughter-in-law, and Dan Dever their two children were driving 1,500 miles from Fort Collins, Colorado to be with him on Thanksgiving. Unfortunately, they will be quarantining so **Dale** will not be able to hug or touch them. At least he'll be able to see them.
- ☺ **Dan Burroughs** had a happy and a sympathy dollar for **Shana Barker**. The happy dollar is because she is a tremendous worker at Washtenaw Community College who works closely with us here at Kiwanis on Scholarship nominations. The sympathy dollar was for the loss of her uncle, Larry Hunter.

Mary Stewart

- ☺ **Mary Stewart** had 24 happy dollars because her daughter, who has had type 1 diabetes for 24 years since she was six years old, got her lowest A1C score ever, 5.2, last Friday. She said her daughter has worked very hard to achieve this number.
- ☺ **Nick Dever** was happy for his granddaughter who has been approved to attend her study abroad in England to study English Literature.
- ☺ **Loren Cartwright** had five happy dollars for **Claire Dahl's** birthday, which was Tuesday, Nov 16.

- ☺ **Claire Dahl** had fifteen happy dollars, one for Loren, as it is her birthday today, one for **John Sampelle** since his birthday is also tomorrow, and ten happy dollars for **Mary Stewart** for all of her hard work for the 'Warm the Children' program. The last three happy dollars are for the success that **Mary Stewart's** daughter has had in her fight against diabetes.
- ☺ **Bob Gray** and **Susan Smith** had a happy dollar for **President Margaret** getting her speaker fixed so that we can hear her without her voice fading away.
- ☺ **President Margaret** had five happy dollars for her success in getting her speaker problem fixed.
- ☺ **Bill Robb** had a late twenty-five happy dollars for his friend, Don Redding, being inducted as an Honorary Club Member.

## SMOC COVID OPERATING RULES AND PROCEDURES

Adopted on November 3, 2020. These rules and procedures are subject to review and modification.

The following rules were established by SMOC as an update of operating procedures and COVID-19 safety measures, allowing sales operations to increase the number of hours and weekdays that volunteers and members may work in the building in areas of sorting, pricing and stocking merchandise as well as assisting with the Voucher program. References to the "building" in this document are to the space occupied by the Kiwanis Foundation and Thrift Sale only.

These rules seek to comply with Michigan Health Department guidelines and MIOSHA regulations, issued October 14, 2020, requiring employers with employees/workers on site during the COVID pandemic to implement certain procedures to avoid unnecessary exposure of any person to the COVID virus and to maintain a safe work environment. SMOC may further modify these rules to comply with changes in federal, state and local regulations governing retail operations during the COVID pandemic.

These rules apply to Kiwanis members, volunteers and employees ("workers").

1. Thrift Sale and other workers coming into the Kiwanis building must participate in a daily health screening upon entry including a questionnaire and temperature screening. (Mario, Tanya, Liesel or any member of SMOC may conduct a screening protocol for persons entering the building). Self-screening is no longer allowed under updated health regulations.

2. Mario and Tanya are designated Safety Officers, and Liesel is an Assistant Safety Officer. At least one Safety Officer must be on site at all times when workers are in the building.

3. Kiwanis requires 6 feet of separation between workers and/or barriers and floor markers to designate individual work stations. Mario to designate the number of persons allowed in any area at one time with signs and other indicia placed at work spaces as necessary.

4. Face coverings must be worn at all times by everyone in the building. Masks or shields must completely cover the nose and mouth. Anyone observing non-compliance is encouraged to bring the lack of properly worn face covering to the worker's attention, requesting that the mask or shield be properly worn, and reporting any refusal to do so to a Safety Officer.

5. Members and volunteers must complete a new MEI Form, a Health Risk Assessment Form, a COVID-19 Training Session and be approved by Mario before being scheduled to work in the building.

6. The building will be open Monday through Friday from 9:00am until 1:00pm for scheduled workers (members/volunteers) to sort, price and stock merchandise. Members and volunteers should be assigned in advance to a designated work day before being permitted to enter the building, subject to authorized exceptions. Paid employees may work different days and hours, as scheduled by the Sales Manager and/or the Building Committee.

7. Members/volunteers should arrive no earlier than 9:00am and enter through Door 15 (north end of East Dock) to Check-In on the Attendance iPad, get temperature taken and answer COVID-19 related questions by Liesel Baker. Members/Volunteers must leave the building at 1:00 pm when the work shift ends, unless specific advance arrangements have been made. (Note: 9:00am arrival allows Sales and Building employees to arrive/check in before members/volunteers arrive. The 1:00pm closing for members/volunteers allows Sales and Building employees to complete closing activities and check out at their assigned times).

-Mario/his designee shall designate & schedule members/volunteers for each department for sorting, pricing and sales floor.

-Bob Gray and Ellen Webb or their designee, shall schedule Volunteers at Check-Out stations, including Cashiers, Backup Cashiers, Packers, Backup Packers, the Host Monitor, the Door Monitors and Parking Lot Volunteers. Bob, working with Peter Schork, shall schedule workers for the parking lot, including donation intake workers, parking lot attendees, and line supervisors.

-Schedules should be sent out in advance by Bob and Mario.

-Bob Gray and Ellen Webb shall also schedule workers for the Voucher Program. Schedules should be sent out in advance by Bob.

8. Subject to permitted exceptions, operations and scheduling for each day of the week for volunteers and members, exclusive of paid staff, shall be as follows, subject to changes based on experience, needs and the potential for opening sales on Fridays:

-**Monday:** members/volunteers with no health restrictions may be scheduled to work;

-**Tuesday:** members/volunteers with moderate health risks scheduled to work;

-**Wednesday:** members/volunteers with higher health risks scheduled to work;

-**Thursday:** scheduling for areas of the sales floor in which voucher clients will be shopping are limited to voucher program workers. Members/volunteers who work directly with social workers and voucher clients may not be scheduled to work on the Friday or Saturday following any Thursday they've worked on Vouchers. Voucher clients and their social worker shall be responsible for loading purchased goods and removing them from the premises without assistance from paid staff.

-**Friday:** members/volunteers with no health restrictions may be scheduled to work;

-**Saturday** -Thrift Sale open to the public with members/volunteers to arrive at building at scheduled times;

-**Sunday:** building closed subject to exceptions determined by the Sales Manager.

If a member/volunteer of the Prep Group or a Sale Day worker assigned to the sales floor cannot work a scheduled shift, he/she is asked to contact Mario as soon as possible so another person can be scheduled for that shift. Cashiers and other Sale Day Volunteers working in the area of the cash registers should contact Bob and/or Ellen if they cannot work as scheduled.

Individual workers shall not work in the building alone. The "two-person" rule applies to all persons other than the Safety Officers, meaning that two members/volunteers in the same department or work area must be working at the same time, provided a Safety Officer is also in the building. A Safety Officer may not be counted as the "second" person for application of this rule.

Members/volunteers who violate these rules or choose not to observe them will be given a warning and a reminder that these rules are mandatory and put in place for the health and safety of everyone in the Kiwanis building. A second violation will result in the member/volunteer being suspended from working. The length of the suspension, terms of return, and/or disqualification from working shall be determined by the Sales Manager, with a review, if requested, by SMOC.

**INTERCLUB...**

Larry French did not have an InterClub report this week but hopes to have one for next week. In the meantime, you can join a local meeting by Zoom, using the information below.

- ☞ AA Western - 12pm Tuesdays; Zoom ID#275 471 6224; password AAWestern.
- ☞ Chelsea - 7pm Mondays; Zoom ID# 232 537 5951; password 598109.
- ☞ Ypsilanti - 7:30pm, 1st and 3rd Monday of the month. Zoom ID# TBD—this is a new meeting day and time and we'll provide the information as soon as possible.

If you're looking for more Kiwanis related social engagement, you can try one or both of these meetings;

- ☞ "Lunch with a Leader" KI zoom meetings are held every Wednesday through KI Facebook: [www.kiwanis.org/news/covid-19-kiwanis-suggestions#LUNCH](https://www.kiwanis.org/news/covid-19-kiwanis-suggestions#LUNCH)
- ☞ "Let's Talk" Michigan District –KI zoom meetings with Sue Petrisin are held every Thursday evening at 8:00 pm.
