DIAMOND	\$10,000
PLATINUM	\$5,000
GOLD	\$2,500
SILVER	\$1,000

As a Sponsor, your company will be prominently recognized as follows:

- Signs displayed at the receptions and banquet

- Inclusion in pre-banquet press releases
- Acknowledgement in the program and on the MFSW website

Please consider sponsoring this premier mining event. If you commit to sponsor at any of the above levels before September 1, your company will be included in announcements published in SME's Mining Engineering magazine and other industry journals. Sponsorships are tax deductible to the extent allowed by law.

The Mining Foundation of the Southwest is a non-profit organization working to ensure that the public understands the importance of maintaining a strong and vibrant domestic and international mining industry. To achieve this goal, the MFSW funds the

Outreach Coordinator position, currently held by Pamela A. K. Wilkinson, through the Lowell Institute for Mineral Resources at the University of Arizona. This program focuses on the importance of mining to our economy, our lifestyle, and our quality of life. During any given school year, Wilkinson presents her program to over 10,000 students and adults and the demand has never been greater.

Your sponsorship will afford the MFSW to continue its ongoing mission.
